A NOTE FROM THE CULTURAL TEAM

The AFK wishes you all a happy New Year and hopes it is going to be a fruitful one!

After a vibrant year 2022 with no less than 94 events organised by the AFK at our premises on Bukoto street or in various places around Kampala, we are ready to rock you in 2023. And indeed we shall start with Rock'n Roll on the 20th of January from the rooftop, with a mixed Ugandan and French band to entertain you. They are bound to rock our Casbah.

On Saturday 21st January, come and get a taste of France at the AFK as we open our doors for you to try our language classes (French, Luganda, Swahili ... yes! We love languages and we promote the diversity of languages!) and activity workshops (such as Taekwondo, crochet, skateboard, breakdancing and more). Enjoy French delicatessen (pastry, bread, wine etc.) as well as fun activities for the kids. We will also be showcasing an Akatuuti event produced by the Pearl Rhythm Foundation in which children are the main performers...

The 2023 highlights will be: Francophonie festival in March, World Music Day in June, Njogera Français-The DELF Schools' Competition (*2nd Edition*) all year long, and the Akatuuti events for emerging artists which will be run in partnership with East African Records. We will also run regular events showcasing Ugandan artists in all genres, as well as movie nights, open stages, exhibitions and many more.

We have a surprise in store for emerging Ugandan artists as we are actively working with our colleagues in Nairobi, Arusha, Bukavu, Goma and Bujumbura to organise regional artistic tours. A competition to select a Ugandan project to be sent touring in the region will be organised while we host artistic projects from our Kenyan and Tanzanian neighbours and friends.

The AFK is the meeting place in Kampala, a place for the francophone and broad community to meet and exchange. It has been around since 1954 and has promoted generations of artists and taught French to many Ugandans. There is a café called Déjà Brew with food and beverages where you can sit back and relax... and probably speak a bit of French! Come and join us, even as members, and enjoy a thousand things to do, including volunteering with us.

At the AFK, we love languages, we love culture, we love Uganda, we love French, and above all.

WE LOVE YOU!
